for Greater Peace of Mind

aww-paws.com

We've all been there, having to be away from home for an extended period of time and worrying about who will look after our pets. That's where Aww Paws comes in. With over 25 years of pet care experience, Aww Paws will provide safe, reliable at-home pet sitting services. We will visit your home to take care of your pets while you're away. If you have a senior pet or one with special needs, you can trust Aww Paws to give that extra care.

Basic Services:

- Overnight Stays
- Feeding
- Freshen Water
- Daily Dog Walks
- Play and Exercise
- Administration of Medicines
- Waste Pick-Up
- Litter Boxes
- And of course the most important service ... Love, Hugs and Kisses!

Specials Needs:

- Diabetic Care
- Patience and tender care for senior pets and those with special needs.
- Assist with walking, pet wheelchairs, handicapped needs, incontinence, bladder expression for those paralyzed, deaf or blind.
- Administer subcutaneous fluids for kidney function, shots and oral/topical medication.
